

BIBLE ORIENTATION COLLECTION

Old Testament Bible Memory Map

A chapter-by-chapter guide to key verses, memory anchors, and themes

Purpose

Use this map as a memory aid while reading Scripture. Each chapter includes one selected verse reference, a memory anchor summarizing the verse or the chapter's broader movement, and a broad thematic category. These are study prompts—not exhaustive summaries or claims that the selected verse is the only significant passage in the chapter.

How to Use This Map

- 01** Read the chapter in your Bible before consulting the map.
- 02** Revisit the selected verse in its full context.
- 03** Use the memory anchor and theme as prompts—not as the only possible summary.
- 04** Record anything the Holy Spirit brings to your attention as you study.

Keep Following the Story

The Old Testament closes with God's promises still moving toward fulfillment. Watch for God's covenant faithfulness, humanity's need for redemption, and the promises that prepare the way for Jesus (Genesis 3:15; 12:3; 2 Samuel 7:12-16; Isaiah 9:6-7; Micah 5:2; Malachi 3:1).
